

2. Objective: The objective of this project is the provision of information in accordance with the requirements issued on the Charlotte House, provided, that since these requirements are subject to frequent revision, no listing of targets can be valid for the duration of the project. Specific questions will be requested on the basis of need and opportunity. The project will be conducted by [redacted] with assistance from an American in [redacted].

3. Background: In response to the increasing pressure
for the operational performance of

[illegible]

period requirements from. became more refined and in many respects more sensitive. Because most stations are not equipped to conduct this type of operation and because of the desirability of completely centralized control over their entire effort, it was determined that

best conduct the activity. The ~~first~~ reporting activity has now advanced far enough to justify removing from the category.
